

Hair & Make-Up Services

Don't worry about having to do your skater's hair or makeup at the Gold Rush Competition— we can take care of it for you! We are fortunate to have teamed up with Headlines Academy to offer hair and make-up services the morning of the Gold Rush Competition as a fundraiser for the Black Hills Figure Skating Club.

These services will be offered **Saturday morning, Feb. 18** before the competition begins. Times will depend on the number of skaters interested, but will be around/during ice practice times early on Saturday morning before the competition, most likely between 7:30-10:00 a.m.

Prices: **\$20 for hair** (allow about 30 minutes) and **\$15 for make-up application** (about 15 minutes), or **\$30 for both** (approx. 40 minutes). Bring a picture of the "look" you are hoping for to show your stylist.

To reserve a spot for your skater, please mail check made to Black Hills Figure Skating Club and some basic info below **before Feb. 17, 2018 to:**
